100% Export Oriented Garments Industry

ABOUT US

Fardar Fashions Limited was established in 2020 by some entrepreneurs, then it was taken over by the present management body in 2020. The industry is a 100% export-oriented readymade **Woven, Knit & Sweater garments** industry located in **Gazipur District** (20 km north-east of Dhaka city). The sponsors have long been engaged in the manufacturing of ready-made garments.

The main objective of the proposed Ready Made Garments project is to ensure the supply of high-quality products to the export market from Bangladesh. The company aims to increase the competitive edge of Woven, Knit & Sweater apparels in export markets while achieving expected returns on investment.

Fardar Fashions Limited is dedicated to excellence in **merchandising, product development, production, and logistics**. The company has earned a reputation in the global apparel industry as one of the foremost factories in Bangladesh for its commitment to **quality, timely delivery, and total value**.

Through an extensive sourcing network, the company effectively procures the best materials. Customers rely on Fardar Fashions Limited to deliver **high-quality products and superb service**, enabling them to successfully compete in the emerging marketplace.

The company has a wide range of **product development capabilities** and utilizes progressive tools such as **CAD-CAM** to meet specific price points and achieve quality. The management team has a deep understanding of the needs of companies in the West and the production capabilities of firms in the East, making **overseas sourcing easier**.

WHY PARTNER WITH US

Manufacturing

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether order quantity is 1,500 or 100,000 pieces

Lead Time

- ❖ 70-90 days from fabrics approval (Local Fabrics)
- ❖ 90-120 days from fabrics / print design or color selection (imported fabric by sea shipment).

Process & quality

A strict regime of internal audits, critical process check, 3rd party testing on fabric / accessories / garments and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

MOQ

Minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

Design & Develop

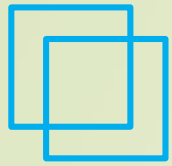

We can assist customer creating fits and design for garments. We offer choices of fabrication, wide range of accessories and different packaging method: flat pack, boxed pack, hanging garments, etc.

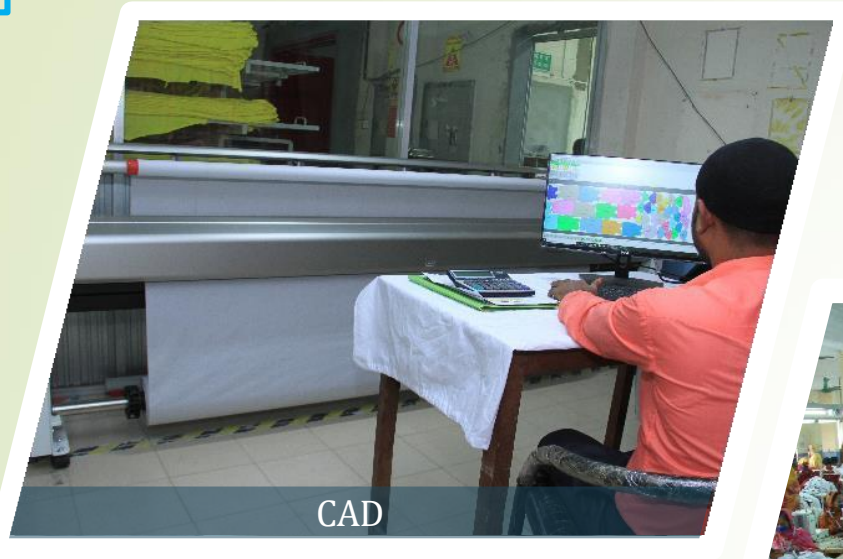

HR & Policy

We follow a strict Code of Conduct (CoC) imbedded in our corporate HR policy – a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.

MANAGEMENT

Mohammad Masood

Director

At **Fardar Fashions Limited**, our focus is on precision, speed, and reliability. As we navigate the complexities of the modern apparel market, we prioritize operational excellence through the integration of advanced technology and smart manufacturing. My mission is to ensure that our production lines stay agile and our quality remains world-class, providing our global partners with the competitive edge they need. We don't just meet industry standards; we strive to set them.

 **Fardar Fashions Limited**

Aladin Alim

Director Operation

At **Fardar Fashions Limited**, my focus is on bridging the gap between vision and execution. We are committed to maintaining a seamless production ecosystem where efficiency meets high-end craftsmanship. By optimizing our supply chain and implementing rigorous quality control protocols, we ensure that every order is delivered with precision and on schedule. Our goal is to maintain a sustainable, high-performance environment that consistently exceeds the expectations of our international partners.
